

## **RULING ON DESIGNATED RUNNER**

It has been brought to my attention that some confusion has arisen over the use of a Designated Runner (DR).

The use of the DR in any game of Softball is a local association ground rule and not a rule in the national rule book.

At DDMSA there has never been such a ground rule introduced into our competition. So please be aware that any team trying to put a DR into the game will find that that particular player and coach will be subject to the unreported substitute rule and all penalties relating to this rule.

~~**Rule 4 Sec 8b.**~~

**Rule 3.2.8 d) & Effect Rule 3.2.8 unreported substitutes**

If there are any queries relating to this please do not hesitate to contact me.
